

**BIOS pCO: Bios Fake pCO3 for pCO5 5.14 version dated March, 14<sup>th</sup> 2011**

**WARNING: this BIOS requires BOOT release 4.10 or higher.**

This BIOS is released as a single file called BIOS\_pCO5\_fake\_pCO3\_514.bin.

Warning: the pCO5 file is released to manage the transition from pCO3 to pCO5. This BIOS version emulates the operation of pCO3 on pCO5. With respect to previous released version available with this focus (5.08), this release contains a series of corrections, available from release notes of bioses 5.09, 5.12 and 5.14.
